The key changes include, but are not limited to:

- Removing our fax number for withdrawal
- Marketing name change
- Increased minimum initial investment amount
- Updated disclosure of fees and costs
- Updated asset allocations

Full details of the changes can be found in the PDS. As always, we recommend you read this document to understand the main benefits and risks of investing, along with other features of the Fund.

Indirect investors should also consider the Target Market Determination (TMD) for a Fund before making an investment decision to consider whether a Fund is appropriate for them. A TMD in respect of a Fund is available at [amp.com.au/investments-tmd](https://amp.com.au/investments-tmd).

### Removing our fax number when making withdrawal requests

From 30 November 2023, any future requests to withdraw from the Fund will not be able to be sent to our fax number (1800 630 066), as this number will no longer be available. For alternative methods to make a withdrawal request, you may send an instruction via email to [ampi\\_transactions@unitregistry.com.au](mailto:ampi_transactions@unitregistry.com.au), via the Calastone electronic trading system (which is our approved electronic trading system), or by mail to National Mutual Funds Management Ltd - Unit Registry, GPO Box 804, Melbourne VIC 3001.

### What will happen if an instruction is sent to the fax number 1800 630 066?

After 30 November 2023, if your withdrawal request is sent to the fax number, the transaction will not go through. In this case, we would unfortunately not be able to process your withdrawal request on your investment until the request is sent by an alternative method, as shown above.
