

AMP Equity Fund

Wholesale

Investment objective

The Fund aims to provide long-term capital growth, primarily through a diversified portfolio of Australia's top 200 companies listed on the Australian Securities Exchange. The Fund may be suitable for investors seeking to invest in a diversified portfolio of Australian securities. The Fund aims to pay distributions half-yearly. You should be aware that although the Fund aims to pay distributions, the amount of each distribution may vary, or no distribution may be payable in a distribution period.

How we manage your money

AMP Capital Investors Limited was the investment manager of the Fund until 25 March 2022. On 26 March 2022 Macquarie Investment Management Global Limited (ABN 90 086 159 060, AFSL 237843) became the investment manager of the Fund.

Past performance is not a reliable indicator of future performance. Performance is annualised for periods greater than one year. Total returns are calculated using the net asset value per unit for the relevant month end. This price may differ from the actual unit price for an investor buying or selling an investment. Actual unit prices will be confirmed following any transaction by an investor. Returns quoted are before tax, after fees and costs and assume all distributions are reinvested.
