Target market

Customer description

This describes customers in the target market

Objectives and needs

A person who may seek a variable rate credit facility (with an optional offset facility) or fixed rate credit facility (with no offset facility) to:

- purchase a residential property,
- renovate or improve a residential property, or
- refinance an existing home loan facility, or
- purchase other property or investments, or
- build a new residential dwelling on vacant land (also purchased with the loan funds), rebuild an existing residential dwelling or make structural improvements to an existing dwelling, within the first 12 months of the loan,

that either:

- wants a variable interest rate, and has flexibility to make additional repayments and/or repay the facility early (variable rate credit facility), or
- has certainty of repayments for a fixed period during which the person does not consider that they may want to make substantial additional repayments or repay the facility (fixed rate credit facility).

but that is not to:

- provide credit to a person in its capacity as trustee of a self-managed superannuation fund (SMSF).

Financial situation

- A person who will have funds to make payment of fees, interest and repayments as and when such amounts become due and payable and, if the person requests and is issued an offset facility, will have sufficient funds to benefit from the offset facility.

Product description

This describes the product

A variable rate credit facility (with an optional offset facility) or fixed rate credit facility (with no offset facility) with the following key attributes:

- the ability to use the credit to purchase a residential property, renovate or improve a residential property (but only at an agreed time outside the first 12 months of the loan term) or refinance an existing home loan facility,

either

- a variable rate with flexibility to make additional repayments (including early repayment of the facility) (variable rate credit facility), or is progressively drawn down with the ability to use the credit to build a new residential dwelling on vacant land, rebuild an existing residential dwelling or make structural improvements to an existing dwelling, within the first 12 months of the loan,

or

- a fixed rate for an initial fixed period with certainty of repayments (which reverts to a variable rate unless it is agreed to refix the rate) (fixed rate credit facility) and,

the requirement to:

- make payment of fees (but not an annual fee or monthly fee), interest and repayments, and
- if an offset facility is issued to the customer, have sufficient funds to benefit from the offset facility.

Appropriateness statement

This explains that the product is consistent with the likely objectives, financial situation and needs of the target market

AMP Bank has considered that the product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of customers in the target market as described in this determination.

Distribution conditions

Retail product distribution conduct (other than general advice)

This condition applies to all conduct (other than general advice) such as issuing, arranging and providing disclosure material

Distribution conditions
