Version	2

Target market		
Customer description	Objectives and needs	
This describes customers in the target market	 a person who may seek an account for depositing funds to offset the balance of an existing eligible variable home loan to reduce the amount of interest payable on the loan. 	
	 a person who is not operating a domestic or international funds remittance arrangement, business or service, or trading in or supporting trading in cryptocurrencies or digital currencies, or a shell bank. 	
	Financial situation	
	 a person who may have an eligible variable home loan or the intention to acquire one, will have sufficient funds to benefit from the offset facility and will have funds to pay a monthly account management fee (and other specialised fees) as and when the fees become due and payable. 	
Product description	A deposit account with the following key attributes:	
This describes the product	 the ability to use the product to deposit funds, for the funds to be offset against the balance of an existing eligible variable home loan to reduce the amount of interest payable on the loan, 	
	 the inability to use the product for operating a domestic or international funds remittance arrangement, business, or service, trading in or supporting trading in cryptocurrencies or digital currencies or a shell bank, and 	
	 a monthly account keeping fee (and other specialised fees apply as set out in the terms and conditions). 	
Appropriateness statement This explains that the product is consistent with the likely objectives, financial situation and needs of the target market	AMP Bank has considered that the product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of customers in the target market as described in this determination.	

Distribution conditions			
Retail product distribution conduct (other than general advice) This condition applies to all conduct (other than general advice) such as issuing, arranging and providing disclosure material	Distribution conditions
