## Target market

### Customer description

This describes customers in the target market

### Objectives and needs

A person who may seek a variable rate credit facility (with no offset facility) to:

- purchase a residential property, or
- refinance an existing home loan facility, or
- purchase other property or investments, and
- take advantage of potential future decreases in an interest rate and the flexibility to make additional repayments and/or repay the facility early, but that is not to:
  - purchase residential property that is vacant land and not develop the property within the first 12 months of the loan term,
  - refinance an existing home loan facility, in respect of which the residential property is vacant land, and not develop the property within the first 12 months of the loan term, or
  - provide credit to a person in its capacity as trustee of a self-managed superannuation fund (SMSF).

### Financial situation

- a person who will have funds to make payment of fees, interest and repayments as and when such amounts become due and payable.

### Product description

This describes the product

A variable rate credit facility (with no offset facility) with the following key attributes:

- the ability to use the credit to purchase a residential property or refinance an existing home loan facility,
- a variable rate with flexibility to make additional repayments (including early repayment of the facility), and
- the requirement to make payment of fees (but not a monthly fee), interest and repayments of the principal owing.

### Appropriateness statement

This explains that the product is consistent with the likely objectives, financial situation and needs of the target market

AMP Bank has considered that the product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of customers in the target market as described in this determination.

## Distribution conditions

### Retail product distribution conduct (other than general advice)

This condition applies to all conduct (other than general advice) such as issuing, arranging and providing disclosure material

### Distribution conditions

Distribution methods	Suitability
Direct through AMP Bank approved communication channels (including website, phone, or email)	Suitable
Through financial adviser authorised and accredited to distribute AMP Bank credit products	Suitable
Through mortgage broker or mortgage manager authorised to distribute AMP Bank credit products	Suitable
Through referral from comparison site provider to any of the above distribution channels	Suitable

Distribution method subject to the condition	Description of condition
Direct	The completed Borrower Interview Guide must be submitted with the application unless applying via the electronic application form
Through financial adviser	Distribution must be via personal advice
Through mortgage broker or mortgage manager	The completed Borrower Interview Guide or Fact Find must be submitted with the application
Through referral from approved comparison site provider	Information about the product on the distributors' site must direct prospective customers to review the relevant AMP Bank product information page and include details of where to find the TMDs

### Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market

The distribution conditions will make it likely that customers who acquire the product are in the target market because all customers who acquire the product will have:

- been asked questions via the electronic application form, Borrower Interview Guide or the Fact Find which allow the distributor to determine whether the customer is likely to be in the target market,
- received personal advice about the product, where the distributor is authorised to provide personal advice, and
- received warnings or questions about key attributes and key limitations of the product which are material to whether customers are in the target market.

## Distribution conditions

### General advice

This condition applies to general advice (including most marketing)

### Distribution conditions

#### Distribution methods

#### Suitability

Advertising on television, radio, the internet (including social media), billboards and physical banners, brochures and other marketing material available to the general public

Suitable

Other issuer approved communication channels (including telephone, email and social media)

Suitable

### Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market

These conditions are appropriate as the target market is wide.

### Review triggers

AMP Bank, and any distributor of this product, must cease retail product distribution conduct in respect of this product when AMP Bank determines a material event or circumstance has occurred in relation to:

- a change in law which materially affects the product design or distribution
- a significant number of default notices, hardship requests or refinance requests related directly to the appropriateness of the loan that the issuer determines may relate to the appropriateness of the determination
- a material change to the product that is likely to result in the determination no longer being appropriate for the target market
- evidence, as determined by the issuer, of the performance of the product, in practice, that may suggest that the product is not appropriate for the target market
- material complaints (in number or significance) in relation to the terms of this product and/or the distribution conduct
- reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate
- a material pattern of dealings in the product or of distributor conduct that is not consistent with the determination
- a notification from ASIC requiring immediate cessation of product distribution or particular conduct in relation to the product.

### Review periods

The first review, and each ongoing review, must be completed within each consecutive one year period from the Start date.
